- Coach travel to and from the centre
- 2 nights accommodation
- Fully catered from Monday tea time with all food and drink provided
- Kit (the children will only need to bring old clothing) and equipment provided
- Fully trained Outdoor Instructors
- 3 days of activities

We are very aware that families have different financial pressures and that many of you will have further challenges due to the rise in the cost of living and the after-effects of COVID-19. As this trip covers part of the National Curriculum, it is extremely important that all children attend. If there are any concerns regarding the cost of the trip, please contact Mrs. Flatman and we can discuss support on an individual basis.

We want to ensure that we give families enough notice, as we are aware that the cost of the trip is higher than a typical day trip. Any payments can start being made via the Parent Portal on Arbor from now, which allows families the flexibility of making contributions in instalments, as and when allows.

By the 30th October 2023, we do ask for a deposit of £20 as confirmation that your child will be attending the trip, as well as a **completed permission and medical information form** (via a Google form).
