Dear Parents/Carers

I am delighted that Year 6 are going to spend the day at Trafford Watersports Centre, and complete fantastic Outdoor and Adventurous Activities (Mrs Casey will provide you all with the details). It is wonderful that we are now in a position for children to go out on trips, but please keep working hard to reduce infections, so the bubble aren't in more danger of self-isolation and missing out.

We are very aware that families have different money pressures on them, and that many of you will have further troubles due to COVID-19. As this trip covers part of the National Curriculum, all children must attend, unless there is a health and safety reason for them not to do so. Therefore, we have decided to fund the trip out of our P.E. and Sport Premium funding to ensure that all children enjoy this amazing experience together.

The full cost of the trip is £1108, which is around £34 per child. This cost covers:

- Travel to and from Trafford Watersports Centre
- Full day of activities (9am - 3pm) including:
 - Canoeing
 - Raft building
 - Bushcraft/survival skills (fire lighting, foraging, shelter building etc)

If you are able to contribute the full cost for your child, or make your own contribution of what you feel you can afford, that would be very helpful in allowing us to fund other things for the children. However, the most important thing, is that all the children attend and the trip will go ahead whatever amount we receive.

We feel this trip, and others we are planning, will truly help our children become *Healthy, Happy and Confident*, and I can't wait to hear how they get on. Thank you for your continued support, and your understanding with the many changes taking place in school.

Yours sincerely,

Mr J Sharp
