

Uniform Swap Shop

We all know how expensive uniforms are to buy each year and what a waste it can be just to throw clothes away that children have grown out of. This year we are going to try something a little different at All Saints by holding a Uniform Swap Shop.

We are asking you to bring into school any pieces of uniform that your child has grown out of, is in good condition and is suitable to be passed on to another family.

To make this COVID secure we will be collecting the items in the last week of term and keeping them over the summer holidays. Each item will be then washed and ironed ready for the Uniform Swap Shop, which will take place in the first few days back after the summer holidays. We are also collecting school shoes which are in a good condition. These will be sanitised.

Supermarket Uniform Deals

If you don't want to take part in the Uniform Swap Shop there are a number of supermarkets now offering some amazing deals.

We really do hope that you want to support us in supporting our school community, whilst doing our bit for the environment too. We are all in this together.

Click on the shop name to take you to their online school uniform shop.

MORRISONS

Nutmeg

Prices start from £2

MATALAN

Available online and in store Prices start from £3
